

Unit 331

Producing decorative metal roofing and weathering details in the workplace

21 credits

Level: 3

UAN: A/600/8482

Unit aim:

The aim is to provide you with the necessary skills and knowledge to:

- interpreting information
- adopting safe and healthy working practices
- selecting materials, components and equipment
- producing decorative features in hard metal and/or lead

*PER – Portfolio evidence reference

SO – Site observation

OQ – Oral question

WQ – Written question

WT – Witness testimony

PS – Product supplementary

PD – Professional discussion

Assessment criteria that are practical activities are highlighted in bold.

1. Interpret the given information relating to the work and resources when producing decorative metal roofing and weathering details.							
You must be able to:	*PER	SO	OQ	WQ	WT	PS	PD
1.1 interpret and extract relevant information from:							
a. drawings							
b. specifications							
c. schedules							
d. manufacturers' information							
1.2 comply with information and/or instructions derived from risk assessments and method statement							

1.3	state the organisational procedures developed to report and rectify inappropriate information and unsuitable resources and how they are implemented							
1.4	describe different types of information, their source and how they are interpreted in relation to:							
	a. drawings							
	b. specifications							
	c. schedules							
	d. manufacturers' information							
	e. regulations governing buildings.							

2. Know how to comply with relevant legislation and official guidance when producing decorative metal roofing and weathering details.								
You must be able to:		*PER	SO	OQ	WQ	WT	PS	PD
2.1	describe your responsibilities under current legislation and official guidance whilst working:							
	a. in the workplace							
	b. at height							
	c. with tools and equipment							
	d. with materials and substances							
	e. with movement/storage of materials and by manual handling and mechanical lifting							
2.2	describe the organisational security procedures for tools, equipment and personal belongings in relation to:							
	a. site							
	b. workplace							
	c. company							
	d. operative							
2.3	state what the accident reporting procedures are and who is responsible for making reports.							

3. Maintain safe working practices when producing decorative metal roofing and weathering details.								
You must be able to:		*PER	SO	OQ	WQ	WT	PS	PD
3.1	use Personal Protective Equipment (PPE) and access equipment/working platforms safely to carry out the activity in accordance with legislation and organisational requirements when producing decorative metal roofing and weathering details.							
3.2	explain why and when Personal Protective Equipment (PPE) should be used, relating to producing decorative metal roofing and weathering details, and the:							
	a. types							
	b. purpose							
	c. limitations of each type							
3.3	state how emergencies should be responded to in accordance with organisational authorisation and personal skills when involved with:							
	a. fires							
	b. spillages							
	c. injuries							
	d. other task-related hazards.							

4. Select the required quantity and quality of resources for the methods of work to produce decorative metal roofing and weathering details.										
You must be able to:				*PER	SO	OQ	WQ	WT	PS	PD
4.1 describe the characteristics, quality, uses, limitations and defects associated with the resources in relation to:										
a. hard metal										
b. lead										
c. casting sand										
d. pressings										
e. moulds										
f. fixings										
g. hand and/or powered tools and equipment										
4.2 select resources associated with own work in relation to:										
a. materials										
b. components										
c. fixings										
d. tools and equipment										
4.3 state how the resources should be used correctly, how problems associated with the resources are reported and how the organisational procedures are used										
4.4 outline potential hazards associated with the resources and method of work.										

5. Minimise the risk of damage to the work and surrounding area when producing decorative metal roofing and weathering details.										
You must be able to:				*PER	SO	OQ	WQ	WT	PS	PD
5.1 protect the work and its surrounding area from damage										
5.2 minimise damage and maintain a clean work space										
5.3 describe how to protect work from damage and the purpose of protection in relation to:										
a. general workplace activities										
b. other occupations										
c. adverse weather conditions										
5.4 dispose of waste in accordance with legislation										
5.5 state why the disposal of waste should be carried out in relation to the work.										

6. Complete the work within the allocated time when producing decorative metal roofing and weathering details.										
You must be able to:				*PER	SO	OQ	WQ	WT	PS	PD
6.1 demonstrate completion of the work within the allocated time.										
6.2 state the purpose of the work programme and explain why deadlines should be kept in relation to:										
a. types of progress charts, timetables and estimated times										
b. organisational procedures for reporting circumstances which will affect the work programme.										

7. Comply with the given contract information to produce decorative metal roofing and weathering details to the required specification.										
You must be able to:				*PER	SO	OQ	WQ	WT	PS	PD
7.1	demonstrate the following work skills when producing decorative metal roofing and weathering details:									
	a.	measuring								
	b.	marking out								
	c.	casting								
	d.	pressing								
	e.	embossing								
	f.	fitting								
	g.	finishing								
	h.	positioning								
	i.	securing								
	j.	jointing								
7.2	produce decorative hard metal and/or lead to contractor's working instructions for ornamental features									
7.3	describe how to apply safe work practices, follow procedures, report problems and establish the authority needed to rectify them, to:									
	a.	produce decorative hard metal and/or lead scrolls, rope effects, lettering and ornamental features by casting, embossing and pressing								
	b.	use hand tools, power tools and equipment								
	c.	work at height								
	d.	use access equipment								
7.4	safely use and store hand tools, portable power tools and ancillary equipment (as appropriate to the metal)									
7.5	state the needs of other occupations and how to communicate within a team when producing decorative metal roofing and weathering details									
7.6	describe how to maintain the tools and equipment used when producing decorative metal roofing and weathering details.									

Unit 331

Producing decorative metal roofing and weathering details in the workplace

Declaration

I confirm that the evidence supplied for the above unit is authentic and a true representation of my own work. The work logged is my own work carried out during my normal work duties.
