Northern Ireland is a great place for holidays. People are friendly and the food is good. This is the land of fairies and giants and its history goes back thousands of years. The Giants Causeway in County Antrim is a good place for a visit.

The coast near the Giants Causeway is among the most beautiful in the world. Many ships have been wrecked along this coast, like "The Girona", one of the ships of the famous Spanish Armada. Over twelve hundred lives were lost.

Every year thousands of tourists come here from all over the world to see the Causeway. Legend says the Causeway was made by the gentle Irish giant, Finn MacCool.
