60087869 Level 1 Diploma in Wall and Floor Tiling

OVERVIEW

For those interested in a career as a wall and floor tiler in the construction industry, this qualification is the ideal starting point. You will learn about the industry, including the principles of constructing buildings, and about the types of information used in building design and construction. You will learn about health, safety and environmental issues faced on construction sites, and how to communicate with others on the job.

You will also develop knowledge and skills specific to wall and floor tiling, including how to:

- Preparing tiles for fixing to wall and floor installations
- Apply and fix tiling materials to wall and floor tiling installations
- Set out tiling components
- Mix tiling materials
- Handle and store tiling materials and accessories

This is a Framework qualification that consists of seven units of assessment.

There are no entry requirements for this qualification – anyone over the age of 16 that is interested in learning more about wall and floor tiling can study it. You probably have little or no previous experience of wall and floor tiling, and have little or no knowledge of the construction sector. You will be seeking to develop skills and knowledge of the trade in order to progress to further learning and specialisation.

WHAT COULD THIS QUALIFICATION LEAD TO?

This qualification helps prepare you for work in the construction industry, with a specific focus on wall and floor tiling. You are likely to progress on to the Level 2 Diploma in Wall and Floor Tiling. You can then progress on to study the NVQ, either as part of an apprenticeship, or as a standalone qualification. You may progress on to any of the following qualifications:

- Level 2 Diploma in Wall and Floor Tiling

You may wish to study an NVQ alongside one of the qualifications listed above, to achieve the relevant apprenticeship and become competent in your chosen trade. Complementary NVQ qualifications are:

- Level 2 NVQ Wall and Floor Tiling Occupations (Construction)
