Level 3 Certificate in Coaching 600/6589/8

OVERVIEW

What does this qualification cover?

For learners who work or want to work as coaches/trainers/tutors in a range of sectors

This qualification is for people involved in coaching learners in the workplace. The Level 3 Certificate in Coaching has been developed using units from the Learning and Development qualifications and from ILM. The qualification is designed for use across the UK.

The units and qualification will provide people who carry out learning and development roles in their organisation with the opportunity to develop and improve their practice as well as achieving a professional qualification for the role. They are available to anyone working in: accredited learning; non accredited learning (where people may train and assess skills but do not assess for a qualification); the NQF and the .

The Level 3 Certificate in Coaching allows learners to learn, develop and practise the skills required for employment and/or career progression as a trainer/tutor/assessor of individual learners in many sectors.

Achievers of these units will learn how to:
• identify individual learning needs
• plan and prepare for learning
• coach individuals
• support learners and employers.

The qualification is on the Qualifications and Credit Framework
